

2024 CMGC Club Championship

Monday, Wednesday, Friday
September 9, 11, 13 2024

This year's Club Championship will be played during Championship Week, September 9th through September 13th. As in the past, each participant will be able to play one round on each of the three days. A player's Championship Score will be the combined total of his two lowest scores. That is, if a player playing in an 18-hole flight shoots a 92, 101, and 96 in his three rounds, he would post a championship score of 188 (92 + 96). If a player is only able to play two of the three rounds, his two rounds will be used as his championship score. Registrants will be divided into flights based on handicaps and other factors (see below).

There will be four flights, two flights playing 18 holes per day and two playing 9 holes per day. Players playing 18 holes will be divided into flights (A and B) based on their 9/1 handicaps. Flights A and B will play from the White Tees. Flights C and D will play from the Gold Tees. Flight C will be made up of players who do not want to play 18 holes per day and whose age plus handicap is less than 100. Flight D (Super Seniors) will be comprised of players who are at least 75 and whose combined age and handicap is greater than or equal to 100. For example, Player X is 74 and has a handicap of 30. He will play in Flight C. Player Y is 76 and has a handicap of 22. He, too, would play in Flight C because, even though he is over 75, his handicap (22) plus age (76) only totals 98.

At the end of the week, championship prizes will be awarded to the Low Gross and Low Net players in each flight. Additionally, day money will be given to the players who have the lowest gross and lowest net scores in each flight each day. If a player has both the low gross and low net in their flight at the end of the day or week, the player will be recognized as the low gross winner and the player with the second lowest net will be awarded the low net prize.

We hope you're able to participate.

Contact Pat Barnes or Chad Bridges if you have any questions.
