

# Member-Guest Tournament

Friday July 19<sup>th</sup>, 2024

The **Claremont Men's Golf Club** will be hosting their annual Member-Guest Tournament once again, but with a few changes that have been requested by members to make this a special event.

Now, anyone can be a guest, male or female, just not another Claremont Men's Golf Club member

## *The Tournament will be a Member-Guest Scramble*

- Golf Genius will determine the Foursomes for the event
- This will mean that you both will Tee off on every hole
- Pick what ball is best for you and then all hit from that spot. Continue to play in this manner until the putt drops
- A "Twist" to this Scramble is you cannot use the same persons ball twice in a row on that hole
- Then do the above again for every hole

Fear not, swing away, as we will be offering \$2 per person Mulligans (max 2 per person) to help you out with this fun event. Collection will be in cash at the event. Men will play from their regular tees (white or gold) and Women from the Red

When you have finished your round turn your score cards in to the Golf Shop personnel and they will enter all scores into "Golf Genius" to calculate the winners. We will have scores for all Teams Gross and Net. Teams placing 1<sup>st</sup> to 4<sup>th</sup> place will receive cash awards. A team cannot win both.

We will have cash prizes for closest to the pin on hole #8 for both Men and Women

We will also have cash prizes for closest to the center line on hole number #9 for both Men and Women

In addition, each player will receive 1 ticket for a drawing at the Luncheon for valuable Prizes.

So, mark your calendars and send in your checks with the Registration form shown below.

### Schedule of Events:

7:15am Briefing and Continental Breakfast in front of the Golf Shop  
8:00am Shotgun start for all teams  
11:00am Catered Luncheon and Awards in the Clubhouse
